HTTYD fanfic

Heather's prov

I heard a high-pitched scream as the unholy offspring of lightning and death itself shot a plasma blast at the house in front of me " _Oh thor just kill me already" _I thought as I dodged the night fury's councleated attacks. " _why does this dragon want me dead!' _

Hiccup's prov

" _ok ok ok this is it, im gonna kill this nightfury and FINALLY impress Heather, the girl of every vikings dreams"_ . Heather had this way about her, maybe it was the way she walks, or the way her coal-black hair, or maybeâ€¦ " WAKE UP SLEEPING BEAUTY" Gobbers warning startled me as I jumped and hit a molten sword, as it flew above our heads, me and Gobber's heads flew up as we saw the molten hot sword flying toward the workshops cabinet " _oh thor no"_ were the last words we mumbled as the sword hit the cabinet and then, all hell broke loose.

Heather's prov

As I continued my dodging, I thought about my tactic. If i could get inside a house, the night fury would just burn the wooden houses so fast I wouldn't be able to get out in time, and burn as the house burned. I felt the adrenaline as I saw the forge collapse on itself, thinking a dragon was harboring in the flames, I ran to get my sword and shield. As I grasped my shield, sword in my other hand, I dove into the flames thinking that if I was going to die, I would save some of my fellow vikings first. " Hello?" a panicked Hiccup called

as I shoved a piece of burning would aside.

"Where are you!" I called frantically as the flames grew and started creeping toward me.

"Hiccup!?"

"Over here!"

"Over where" I yelled. then I heard a creaking sound, like flame-eaten wood. I looked up and saw a loose timber coming toward me, the last thing I saw was a frantic Hiccup calling my name over and over as he used all his strength to pick me up, then all went blackâ€¦.

Hiccup's prov

As I lugged Heathers limp form out of the flames, I yelled for help, but no help came. " Hissss"

I looked up, when I looked up I almost cried for thor as a battle-scarred zippleback crawled up the ledge I was trying to do my best to avoid. I just lay down Heathers limp form and just stood in front of the great beast, " eat me now you devil" I yelled in fury. The zippleback creeped toward me, raised its head and just as I said my goodbyes to my family, I noticed something I really wished I didn't. As the zippleback lunged down to end my sorry life, I heard a familiar sound" Night Fury!" The devil jumped on the zippleback and tore the life out of the zipplebacks neck, The unholy devil made its way toward me" Come and get me you beast" I mumbled as I prepared for the feeling of sharp,pearly teeth gripping my neck, but that feeling did not come. I drew my trembling hands away from my head and looked at the ebony dragon. The dragon then made a laughing sound in its throat as it lunged at us and the world infolded into darkness.
